TERMINOLOGY – Keys for using the on-line system

- **Applicant** – Individual seeking a new or renewal membership.
- **Member** – Individual who has successfully completed the application process. Including submission of all appropriate paperwork and fees to the region.
- **Contact** – A person associated by the Region Admin with an organization in your region – such as a club director associated with his club. OR an individual listed in the system with NO membership (i.e. vendors and incorrectly entered persons).
 - **Affiliation** – the primary link between an individual's *membership* and their club.
 - **Association** – a secondary link created by the Region Admin between an *individual record* and a club.

CLUB ADMIN ACCESS LEVEL DEFINED:

The screenshot shows the 'Aigroup Club (Org. ID: 68031)' interface. It has tabs for Main Info, Members, Teams, Contacts, Customer Info, and Club Members. The 'Contacts' tab is active, displaying club details like name, address, and contact information. Below this is a section titled 'Organization Contacts, (1)' with buttons for 'Export', 'Form Letter Help', and a warning icon. A yellow box contains instructions on how to reset club admin access, followed by a 'Reset Club Admins' button. At the bottom, a table lists contacts with columns for checkboxes, user roles, names, phone numbers, emails, and groups.

	User Role	Name	Phone	Email	Groups
☐	Club Admin, Member	Test Aigroup		test@co.com	Unknown

Before an individual can be granted access to a club, their record must be properly associated (listed as a contact) with that club. Refer to Adding Contacts to a Club portion of the Region Admin user manual. Once associated, notify the National Administrator to have the Club Admin access level granted to that person's record.

CLUB ADMIN ACCESS:

Each season the following will take place:

- Annually remove club admin assignment for all lapsed members as of 11/1
- Annually remove club admin assignment for all non club-member club admins as of 11/1
- Club Admins *who have renewed and who had prior year Club Admin access* would remain actively assigned as Club Admin within their affiliated membership club.

Examples

1. Person A is a current member for the current season and has a membership affiliation with Club ABC and has Club Admin access for Club ABC. Person A renews their membership with the SAME CLUB for the upcoming season before the NOV 1 start date. Person A's Club Admin access WILL NOT be automatically removed at the end of his current season membership, it will continue through with the next season's membership.
2. Person A is a current member for the current season and has a membership affiliation with Club ABC and has Club Admin access for Club ABC. Person A DOES NOT renew their membership for the upcoming season before the NOV 1 start date. Person A's Club Admin access WILL BE automatically removed at the end of the current season membership.
3. Person A is a current member for the current season and is affiliated with Club XYZ as an adult player and has Club Admin Access to Club DEF (a junior club). Whether or not Person A does or does not renew their membership for the upcoming season before the NOV 1 start date, Person A's Club Admin access for Club DEF WILL BE automatically removed at the end of the current season membership as he is NOT affiliated as a member with that junior club.

AT THIS POINT: One record can have CLUB ADMIN access to only ONE Club.

Once access is granted, the following screens will be available to that user.

SEND GROUP EMAIL AND SEND SELECT EMAIL OPTIONS – CLUB ADMIN

Use the ‘Send Group Email’ feature to send an email to all names displayed on the screen. Use the ‘Send Select Email’ feature to choose contacts from a search results list for the purpose of sending an email.

[Enlargement to illustrate ‘Send Group Email’ icon.]

Search Results screen displays list of contacts with all checkboxes checked. To send an email to all contacts displayed, leave the checkboxes checked and click on the ‘Send Group Email’ icon at the top right corner of the display (see illustration above).

To send an email only to selected contacts, use the checkbox next to the individual name to select who will receive the email. (The checkbox at the top of the screen may be used to check or uncheck all boxes on the list.) Once the appropriate contacts are displayed, click on the ‘Send Select Email’ icon at the top right corner of the display (see illustration below).

[Enlargement to illustrate 'Send Select Email' icon.]

When using 'Send Select Email', a pop-up warning will appear that the email will go only to the selected contacts (not to all names displayed on the screen).
